PRIORITIZED INTERVIEW NOTES

1) Persistence: (Personal Work Attitudes)(SRV-29B)-Real Risk

Their doubts about which direction is best can leave them indecisive and inconsistent in their commitments. Find out what they expect from your job and what they are willing to do to work in your organization.

2) Health/Tension Index: (Personal Work Attitudes)(SRV-28B)-Conditional Risk

They tend to have difficulty adapting when decisions and priorities do not match their expectations and to look for ways to get out of the stress even if they must make a mistake or refuse to take action.

3) Attitude Toward Authority: (Job Related Attitudes)(SRV-20C)-Situational Risk

They tend to disregard rules, norms, and conventions about how things should be done and do things their own way regardless of consequences. Test their ability to accept ideas and ways of doing things other than their own.

4) Valuing Future Business: (Relating With Customers)(SRV-4B)-Situational Risk

They have preset ideas and define customer problems by their prescribed solutions leading them to be critical and impatient when things do not work as they expect. Use confrontational tactics to test their willingness to listen to customers.
